Dr. Michael Sutherland
Lecturer in Land Management
Department of Geomatics Engineering and Land Management
University of the West Indies
St. Augustine
Trinidad and Tobago

Dear Dr. Sutherland:

Congratulations! On behalf of the International Development Research Centre (IDRC), I am pleased to inform you that the 2011 selection committee for the Canada-Latin America and the Caribbean Research Exchange Grants (LACREG) program has approved your application for an IDRC grant in the amount of \$14,775.

In early January, AUCC will be sending to you two copies of a Memorandum of Grant Conditions for signature. Please do not incur expenses for this project before the Memorandum has been signed by AUCC, yourself and the duly authorized officer at your institution.

Once AUCC receives a signed copy of the Memorandum, we will issue your institution an advance for the grant. The balance will be sent to your institution upon receipt of acceptable narrative and financial reports.

Should you have any questions, please do not hesitate to contact Claire Millington, Manager, International Initiatives and Exchanges by e-mail at cmillington@aucc.ca or by telephone at (613) 563-3961 ext. 303.

I wish you every success with this new initiative.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. White', with a long horizontal stroke extending to the right.

Robert White
Assistant Director, Partnership Programs

Commentaires / Comments

Research Management Services is pleased to inform you that SSHRC has awarded funding for your project. Funding will be deposited into your research account indicated above.

N.B. Please note that you have a one year automatic extension for this grant. This extension will allow you to use funds remaining in your account after the end date of your grant for one additional year. This period allows you to bring research activities to a close. You may make and pay new commitments during the extension period but not beyond.
